

VOLUNTEER APPLICATION FORM

Thank you for your interest in volunteering with RAHI. We request you to fill this form. The form is divided into 2 sections. Section 1 will help us understand your skills, gifts, strengths and needs, as well as your motivation for volunteering.

The information you provide us in Section 2 is more personal in nature. **It will be kept strictly confidential.** We understand we are asking you for sensitive information. We need this information so we can take care to provide a safe space for you if you join us and also see that your time with us is productive.
